DELTA ACADEMIES TRUST

SCHEME OF DELEGATION

1. PRINCIPLES

- 1.1 Delta Academies Trust (Delta) is a company limited by guarantee, an exempt charity and a public body.
- 1.2 The Delta Board of Trustees is mindful that it has an overriding responsibility to ensure that all statutory obligations to our pupils, students, parents, the Department for Education and the Education and Skills Funding Agency are met.
- 1.3 Delta Board's intention is to provide a framework via the Scheme of Delegation within which Core Team staff, Academy Heads of Academy/Principals and Academy Advisory Bodies can make decisions to meet the needs of pupils, students and where appropriate, the wider community.

2. VISION STATEMENT

- 2.1 Our vision is 'Changing Lives.' Our mission statement is to improve educational outcomes for communities in the North of England, creating a sustainable organisation that improves our society and the wider environment.

2.2 What is our purpose?

- 2.2.1 To raise standards for all pupils and students by sustaining and enhancing performance and to develop the whole child.
- 2.2.2 To fulfil our moral purpose by engaging and collaborating with other schools to help improve the life-chances of all young people both locally, regionally and nationally.

2.3 Core Values

We will:

- Place children and students at the heart of everything we do
- Place collaboration before competition, working with others for the betterment of all
- Develop and support professionals in our own and other academies and schools to establish practice that improves lives
- Ensure that all children make good progress irrespective of their starting point and those young people facing disadvantage are lifted from educational poverty
- Never do anything to the detriment of learners, staff, or other stakeholders, in a neighbouring community
- Adhere to the 'Seven Principles of Public Life'
- Promote environmental awareness and protection locally, nationally and globally.

3. DELTA MEMBERS

- 3.1 The Trust, as a charitable company limited by guarantee, has Members, who have a similar role to the shareholders of a company limited by shares. They:

- are the subscribers to the Trust's Memorandum of Association (where they are founding members)
- may amend the articles of association subject to any restrictions in the Articles, the Funding Agreement or charity law
- may, in certain circumstances, appoint new Members or remove existing Members
- have powers to appoint and remove Trustees in certain circumstances
- may, by special resolution, issue direction to the Trustees to take a specific action
- appoint the Trust's auditors and receive the Trust's audited annual accounts (subject to the Companies Act)
- have power to change the name of the company and, ultimately, wind up the Academy Trust.

3.2 The Academy Trust Handbook (previously known as the Academies Financial Handbook) recommends that a majority of Members should be independent of the Board of Trustees, to ensure a significant degree of separation between the individuals who are Members and those who are Trustees. Distinction between the two layers ensures that Members, independent of Trustees, provide oversight and challenge.

3.3 Delta Members currently are:

- Steve Hodsman (Chair)
- Lesley Bailey
- Denis Hird
- Martin Robinson
- Neil Oliver

3.4 The Members **must** authorise:

3.4.1 amendments to Delta's Articles of Association;

3.4.2 documents containing any unusual or onerous provisions where it may be appropriate for the Board to discuss them first; and

3.4.3 any project or matter in which the Chief Executive Officer may reasonably be considered to have a conflict of interest.

4. **DELTA BOARD OF TRUSTEES**

4.1 The Delta Board of Trustees is the legal governing body of the MAT.

4.2 Those who sit on the Board of Trustees are both charity trustees and company directors.

4.3 The Board of Trustees (Board) sets out Delta group strategy and operational policy in key areas, which are then applied within and across all Delta academies through the organisational framework and schemes of delegation to local governance arrangements.

- 4.4 The Board must appoint, in writing, a senior executive leader who may be appointed as a trustee. The Chief Executive of the Trust is Paul Tarn and he has been appointed as a Trustee on the Board of Trustees.
- 4.5 The Board of Trustees acts collectively: with the exception of the CEO, they do not have individual executive authority. Each Academy and School in the group is ultimately governed by the Trust.
- 4.6 The Chair is responsible for ensuring the effective functioning of the Board and setting professional standards of governance.
- 4.7 Trustees hold statutory duties as a company director to exercise care, skill and diligence and avoid conflicts of interest. They are also required to act within their powers, promote the success of the company, exercise independent judgement, not to accept benefits from third parties and to declare interests in proposed transactions or arrangements.
- 4.8 The current Trustees on the Delta Board of Trustees are:
- Steve Hodsman (Chair)
 - David Haigh (Vice Chair)
 - Lesley Bailey
 - Sean Cavan
 - David White
 - Deanna Glossop
 - Steve Caddell
 - Dr Chris Wilson
 - Paul Tarn (Chief Executive Officer).
- 4.9 The Board of Delta is required to meet at least three times a year. The Delta Board of Trustees has decided to hold meetings six times a year. Members of the Executive Team are invited to attend Board meetings at the request of the Trustees.
- 4.10 The Company Secretary to Delta Academies Trust is Emma Mayor.
- 4.11 Under the Articles of Association (Articles 93-131), Directors (Trustees) have the following powers and responsibilities:
- 4.11.1 To manage the business of the Trust.
 - 4.11.2 To expend the funds of the Trust in such manner as they shall consider most beneficial for the achievement of the Objects.
 - 4.11.3 To invest in the name of the Trust such part of the funds as they may see fit.
 - 4.11.4 To enter into contracts on behalf of the Trust.
 - 4.11.5 In exercising these powers and functions, the Directors may consider any advice given

by the Chief Executive and any other Executive Officer

- 4.11.6 Any bank account shall be operated by the Directors in the name of the company and cheques or equivalent electronic payments shall be signed by at least two signatories authorised by the Directors.
- 4.11.7 The Directors may appoint separate committees for each Academy and should determine constitution, membership, proceedings and Terms of Reference. Terms of Reference are to be reviewed annually.
- 4.11.8 Directors may delegate to any Director, Committee, the Chief Executive or any other Executive Officer, such of their powers or functions as they consider desirable. Delegation may be subject to conditions and may be revoked or altered. Any exercise of this power is to be reported to the next Directors' meeting.
- 4.11.9 To appoint the Chief Executive and Principals of the Academies. Directors may delegate such powers and functions as required by the Chief Executive and Principals for the internal organisation, management and control of the Academies (including the implementation of all policies approved by the Directors and for the direction of the teaching and curriculum at the Academies).
- 4.11.10 To comply with obligations under the Companies Act and Charities Act with regards to the preparation and filing of the annual report, accounts and confirmation statement/annual return.

4.12 **Sub-committees of the Board**

- 4.12.1 The Trust must establish a committee, appointed by the Board of Trustees, to provide assurance to the Board over the suitability of, and compliance with, its financial systems and operational controls, and to ensure that risks are being adequately identified and managed.
- 4.12.2 The Board must ensure there is an appropriate, reasonable and timely response by the trust to any findings by auditors, taking opportunities to strengthen the trust's systems of financial management and control.
- 4.12.3 The Delta Board has the following scrutiny sub-committees, made up of Trustees. Each of these sub-committees meets at least termly and makes recommendations to the Board as it considers appropriate:
- **Audit and Risk Committee**
 - **Education Standards**
 - **Education Inclusion**
 - **Environment**
- 4.12.4 In addition, the Board has a **Finance, Capital and Resources Committee**. This sub committee meets six times a year.
- 4.12.5 The Board also has a **Remuneration Committee**, made up of Trustees. This sub committee meets at least annually.

- 4.12.6 Terms of Reference for all Board Sub committees are reviewed on at least an annual basis and are published in the Delta Governance Handbook.
- 4.12.7 Two Board members, David White and Steve Hodsman, are Designated Safeguarding Board Members.
- 4.12.8 The Chair of the Audit and Risk Committee is the Board nominated lead on Data Protection and Information Security.

4.13 **Academy Advisory Bodies (AABs)**

4.13.1 Each individual Academy within the Trust has an Academy Advisory Body (AAB), which is also a scrutiny sub-committee of the main Delta Board. The Academy Advisory Body (AAB) plays a key role in the life of each Academy and is responsible for scrutinising the work of the Academy Senior Leadership Team.

4.13.2 The areas of scrutiny delegated by the Board are:

- Standards
- Behaviour and attendance
- Safeguarding
- Special Education Needs and Disability (SEND) /Looked After Children (LAC) /Pupil Premium (PP)

4.13.4 An Academy Advisory Body should consist of at least five members. Some of our Academies will have additional requirements in terms of diocesan or foundation representation. Delta Governance will work with these academies to adapt the proposed model to their specific circumstances.

4.13.5 AABs may appoint Associate Members to both the full AAB and any committees that it

sets up for periods of office that they see fit. These members will not have voting rights.

4.13.6 In addition, the Executive Leadership Team (ELT) members, or Core Team staff representing ELT members, other than those appointed as Academy Advisory Body Members, may attend AAB meetings.

5. EDUCATIONAL SCRUTINY

5.1 The Board of Trustees is ultimately responsible for educational outcomes across Trust academies. In order to discharge this responsibility effectively across its academies, the Board has made the following delegations:

- High-level scrutiny of the performance of academies, groups of students, and the effectiveness of provision is undertaken by the Education Standards sub-committee of the Board of Trustees.
- High-level scrutiny of the performance of vulnerable groups of students or those that have additional challenges and needs is undertaken by the Education Inclusion sub-committee of the Board of Trustees.
- High-level scrutiny of predictions and outcomes for each Academy takes place in Academy Network/ Challenge Meetings attended by the Chief Executive Officer/Deputy Chief

Executive Officer, ELT Education Leads and Executive Principals.

- Day to day scrutiny of performance, including performance management reviews of ELT Education Leads, Executive and Associate Executive Principals and Executive and Senior Learning and Subject Directors, is delegated to the Chief Executive Officer/Deputy Chief Executive Officer.
- Day to day scrutiny of performance, including performance management reviews, of Academy Principals, Heads of Academy and Learning and Subject Directors, is delegated to the Chief Executive Officer/Deputy Chief Executive Officer, ELT Education Leads and Executive Principals.
- Within individual academies, Academy Advisory Bodies are responsible for the scrutiny of outcomes and progress, safeguarding, behaviour, attendance, and the impact of arrangements to support SEND/LAC/Disadvantaged pupils/ students.

5.2 ELT Education Lead/Executive Principal membership of Academy AABs provides the structure for the interaction between the professional and governance scrutiny elements the Board has put in place.

6. FINANCIAL SCRUTINY

Accounting Officer

6.1 The Board must appoint, in writing, a named individual as its Accounting Officer. This should be the senior executive leader.

6.2 The Chief Executive Officer and Accounting Officer for Delta Academies Trust is Paul Tarn.

6.3 The role of Accounting Officer includes specific responsibilities for financial matters. It includes a personal responsibility to Parliament, and to the ESFA's Accounting Officer, for the financial resources under the Trust's control. Accounting Officers must be able to assure Parliament, and the public, of high standards of probity in the management of public funds, particularly regularity, propriety and value for money. Accounting Officers must also adhere to the 'seven principles of public life'.

6.4 The Accounting Officer must have appropriate oversight of financial transactions, by:

- ensuring that the Academy Trust's property and assets are under the control of the Trustees, and measures exist to prevent losses or misuse.
- ensuring that bank accounts, financial systems and financial records are operated by more than one person.
- keeping full and accurate accounting records to support their annual accounts.

6.5 The Accounting Officer must take personal responsibility (which must not be delegated) for assuring the Board that there is compliance with the Funding Agreement and Handbook. The Accounting Officer must advise the Board in writing if any action it is considering is incompatible with the Articles, Funding Agreement or Handbook. Similarly, the Accounting Officer must advise the Board in writing if the Board fails to act where required by the funding agreement or handbook.

6.6 The trust **must** have a Chief Financial Officer (CFO), appointed by the Trust's Board to whom responsibility for the trust's detailed financial procedures is delegated.

6.7 The Chief Financial Officer must ensure appropriate financial arrangements operate day to day. At Delta, this is the responsibility of the Chief Financial and Operations Officer, Karen Bromage.

7. **BUDGET SETTING**

7.1 The Board must approve a balanced budget, and any significant changes to that budget, for the financial year to 31 August, which can draw on unspent funds brought forward from previous years. The Board must minute its approval.

7.2 The Trust must submit to ESFA, in a form specified by ESFA:

- a budget forecast return outturn by 17 May
- a 3-year budget forecast return by 26 July.

7.3 These must be approved by the Board before submission.

7.4 The Board must ensure that budget forecasts, for the current year and beyond, are compiled accurately, based on realistic assumptions including any provision being made to sustain capital assets, and are reflective of lessons learned from previous years.

7.5 The Trust must prepare management accounts every month setting out its financial performance and position, comprising budget variance reports and cash flow forecasts with sufficient information to manage cash, debtors and creditors.

7.6 Management accounts must also be shared with the Chair of the Board of Trustees every month irrespective of the size of the Trust, and with the other Trustees six times a year. The Board must consider these when it meets. The Board must ensure appropriate action is being taken to maintain financial viability including addressing variances between the budget and actual income and expenditure.

7.7 In order to meet these national requirements, Academy projected outturns must be in place by the end of April each year and all final Academy and Group budgets must be submitted to the Board for ratification by mid-July each year.

7.8 Budgets are set by the Head of Academy/Principal and Executive Principal / ELT Education Lead, in consultation with the AAB Chair. They are then submitted to the Chief Financial and Operations Officer and Chief Executive Officer (Accounting Officer)/Deputy Chief Executive Officer for approval, before presentation to ELT and the Board of Trustees for ratification before submission to the ESFA.

7.9 All Heads of Academy/Principals in conjunction with their ELT Education Lead /Executive Principals will submit their Academy Improvement Plan, Summary SEF and Curriculum Led Financial Plan to the Chief Executive Officer / Deputy Chief Executive Officer by October half term each year. The monitoring of implementation will be reported to the relevant Academy Network Meeting and AAB.

7.10 Heads of Academy/Principals will work within specific parameters as follows:

- Contact Ratio at 0.79 (0.81 for primary)
- Curriculum Bonus < 8% (n/a for primary)

- 7.11 As part of a group of schools, we aim to have the greatest amount of impact with efficacy. Each Academy contributes a set percentage of grant income, towards the provision of a range of support functions and services, which are available to all academies. The percentage charge and the level and scope of services to be provided are determined by the Delta Board of Trustees and are subject to periodic review.
- 7.12 Based on risk and or need, the long-term or significant additional deployment of Learning/Subject Directors or Leadership support, will result in additional charges to the Academy/School. The ultimate responsibility for the deployment of Learning/ Subject Directors resides with the Chief Executive Officer/Deputy Chief Executive Officer. Heads of Academy/Principals should discuss their requirements with their ELT Education Lead and or Executive Principal.
- 7.13 Further information on the day-to-day operation of financial arrangements by the Trust and in academies is available in the Trust's Financial Regulations Handbook.

Reporting of Fraud

Please ensure any suspected Frauds are notified to Core in line with the Trust Anti-Fraud Policy. We must report centrally any amounts over £5,000 to the ESFA. Any reporting will be completed by the Chief Finance and Operations Officer.

Novel, Contentious or Repercussive transactions

Novel payments or other transactions are those of which the Academy Trust has no experience or are outside the range of normal business activity of the trust.

Contentious transactions are those which might give rise to criticism of the Trust by Parliament, and/or the public, and/or the media.

Repercussive transactions are those which are likely to cause pressure on other trusts to take a similar approach and hence have wider financial implications.

Delta does not authorise any activity that would fall into this category of transaction.
