Year 11 Destinations Activity Survey

* Figures in the table are correct as of 24/10/2023 and continue to be tracked. We continue to work with our students and families following their graduation from the Academy to ensure as few students as possible are Not in Employment, Education or Training (NEET). Year 11 Destinations Activity Survey will be finalised and updated in March 2024 with finalised data from the LEA

At the end of 2022, the reported 16-18 NEET figure nationally was **8.4%. This includes Mainstream, AP and PRU. This figure increased by 2% from 6.4% in 2021. The national figure for 2023 will be reased in July 2024
